

# Take Your Child to the Library Day

Join us for Special Programs  
at each Branch.

**SATURDAY, February 1**

## **Amite Branch – (10:00 AM – 3:00 PM)**

It's a great day with crafts, activities, games, face painting and chalk art outside on the front patio. For the main craft station, we will create a bookworm out of pipe cleaner and beads to go along with our bookworm scavenger hunt.

## **Hammond Branch – (11:00 AM – 2:00 PM)**

We will have giant board games for families to play, a table where kids can create their own board games based on stories we will select, and we'll play Wreck-It Ralph on our promethean board. Snacks will be provided.

## **Independence Branch – (Noon – 1:30 PM)**

Together we can promote literacy. It's fun, free, and family friendly for all ages. Join us for games, crafts, STEM activities, snacks, and door prizes. Sign-up for a free library card, meet our staff and learn about upcoming programs, discover all the amazing resources we have to offer.

## **Kentwood Branch – (11:00 AM – 1:00 PM)**

It's a day of crafts with Pompom Shooter Craft Kits, and two other craft options. Sign up for your free library card and get a library card lanyard craft kit.

At 11:00 am, a special presentation to discover the history of Josephine Buchanan Landry, an African American laundress in Louisiana, and learn how historical records, genealogical research, and social context reveal her family ties, work life, and resilience.

Cupcakes and drinks will be provided.

## **Loranger Branch**

We will be hosting a Lego building competition with a first, second and third place winner. There will also be crafts for all ages. Each child that comes into the branch and either checks out books and/or signs up for a new library card will receive a free plush animal, while supplies last.

We will be spinning the prize wheel throughout the day for gift give aways. Every 30 minutes. Free Popcorn will be served.

## **Ponchatoula Branch – (11:00 AM – 1:00 PM)**

Explore everything the library has to offer to you and your kids! We will feature button making, picture taking, game playing, and snacking. All ages welcome!
