

# VITA and AARP<sup>®</sup>

*are here for your income tax preparation help*

As part of our service to the community, the Tangipahoa Parish Library is happy to provide the facilities for the American Association of Retired People (AARP) and Volunteer Income Tax Assistance (VITA) to help our citizens with their income tax preparation.

## **Amite Branch**

The Amite Branch will have tax form packets which patrons can pick up and bring home to complete. Once completed these patrons can return their forms in a special VITA locked box.

VITA will then contact the patron to schedule a time for them to meet, so that the patron can pick up their completed tax forms.

VITA will be using the large library meeting, every Saturday, February 6- April 10, 10:00 AM-12:00 PM for patrons to drop off their completed packets and to pick up their completed returns.

VITA will not be filling out tax information onsite, they will just be accepting the information in the sealed envelope to be put in the locked drop box.

## **Hammond Branch - AARP**

Every Wednesday from 1:00 PM-4:00 PM an AARP representative will be available in the large meeting room.

AARP will be scanning the patron's documents only. They will not be completing tax forms onsite. They will contact the patrons once their taxes are complete to arrange for the patron to pick them up.

## **Ponchatoula Branch - AARP**

Every Saturday from 10:00 AM-1:00 PM an AARP will be available in the meeting room in the children's area.

AARP will be scanning the patron's documents only. They will not be completing tax forms onsite. They will contact the patrons once their taxes are complete to arrange for the patron to pick them up.

While we are happy to help provide the facilities for income tax preparation, our library staff cannot be given any forms, accept any tax forms or asked any tax questions.
