

Baby & Me is a seven-week program that is based on Every Child Ready to Read.

- The program is designed for children ages 0-36 months and their caregivers.
- The focus is on helping caregivers develop a loving relationship with their child and to help them develop emergent literacy and gross motor skills.
- Each week builds on the theme so it is important to attend each week.
- **Registration is Required** as the program is limited to 20 children and their adult caregiver.
